REPORTS

1. Chair of the Board Report

Chair Hardy provided the following report:

- ❖ Noted that on Monday, November 7, 2016, Governor John Bel Edwards joined leaders in Lake Charles for a ribbon cutting ceremony for the SOWELA Regional Training Center.
- ❖ Reminded board members of the workforce development announcement with Entergy on November 14th at 1:00 pm in New Orleans. The event will be held at Entergy's Magnolia Auditorium, located at 1600 Perdido St., New Orleans, LA. He asked members to let Sara know if they plan on attending.
- ❖ Thanked the cities of Bossier and Shreveport for their hospitality in welcoming the LCTCS Board of Supervisors. He stated that, as a Shreveport native, he is proud to welcome his colleagues to a part of the state he holds dear to his heart.
- ❖ Bossier Parish Community College Chancellor, Rick Bateman, welcomed the Board to BPCC. He noted that the campus is "student first" and introduced the SGA leaders from BPCC. Additionally, he thanked the SGA, student groups, and athletic teams for making sure BPCC welcomed the Board and special guests in a special way. He invited various partners from BPCC to address the Board. Each of the guests described how their partnership with BPCC was beneficial for both entities. A copy of the power point presentation was provided at each Board member's station. The guests included:
 - Shreveport Mayor Ollie Taylor and Bossier City Mayor Leo Walker
 - Port of Caddo Parish
 - Eric England, Executive Director
 - Dannye Malone, Director of Legal Affairs
 - Benteler Steel and Tube
 - Patrick Guillaume, Benteler Steel Project Director
 - Logan Anderson, Legal Counsel
 - Michael Koch, Interim Chief Operating Officer
 - Red Ball Oxygen
 - Bob Ewing, President
 - Dianne Clark, Northwest LTC Director

- JP Morgan Chase
 - Steve Roop, Managing Director/Marketing Executive, North Louisiana & Central Arkansas
 - Stephanie Rogers, BPCC Director of Advancement
 - JP Morgan Chase presented BPCC with a check for \$110,000 to support Internships/Externships in Nursing, Cyber Technology, and Business
- BPCC Open Campus
 - Allison Martin, Director of Institutional Effectiveness Initiatives

2. President's Report

Dr. Sullivan provided the following report:

- ❖ Thanked BPCC for the outstanding welcome to the Bossier/Shreveport area.
- ❖ Updated the Board on the recent heart surgery had by Director Earl Meador.
- ❖ Welcomed Acting Chancellor of Baton Rouge Community College, Mr. Phil Smith, to his first board meeting as Acting Chancellor.
- ❖ BRCC Chancellor Search – Supervisor Michael Murphy noted that the committee received an excellent group of applicants and conducted the first round of interviews recently. The finalists for the position will be announced later in the day, and on campus interviews will be held in the near future. He anticipates an announcement of a candidate at the December Board Meeting.
- ❖ Asked the Board to watch their emails for an invitation to an articulation agreement announcement with another higher education system in Louisiana. He anticipates the announcement to take place on or around November 18th in Baton Rouge.
- ❖ Budget Update:
 - Constitutional Amendment No. 2: Establish Tuition without Legislative Approval failed to pass. This would have allowed tuition authority by higher education boards without approval of the legislature.
 - Constitutional Amendment No. 6: Use of Funds to Eliminate Projected Deficits failed to pass. This would have allowed for more flexibility in the state budget.
 - The FY 16 budget deficits will likely not require another special session. There seems to be a plan in place to manage the deficit.
 - The FY 17 budget poses likely challenges to LCTCS. The focus of this system remains on the workforce needs and students regardless of the budget picture that is presented.
- ❖ Governor John Bel Edwards understands the mission of LCTCS and the impact of midyear budget cuts. His support of our system is evident.
- ❖ Gave an update on Our Louisiana 2020. Growth continues to be on the horizon within the system, and resources will be needed to continue growing.

Chair Hardy thanked the LCTCS team for their dedicated work to help with the recent ACCT Congress held in New Orleans. He thanked Quintin Taylor, Katie Waldrop, Sara Kleinpeter, Woody Ogé, and Monty Sullivan for their help in planning and executing his successful campaign for a term on the ACCT Board of Directors.
