RE: FY 2017-2018 Employee/Employer Retirement System Rates

Below is a table listing the employee/employer retirement system rates in effect for the 2017-2018 fiscal year. Louisiana State Employees' Retirement System (LASERS), Teachers' Retirement System (TRSL), and Louisiana School Employees' Retirement System (LSERS) have made changes to the employer contribution rates. Pursuant to Act 607 of the 2014 Regular Legislative Session, the Louisiana Community & Technical College System Board of Supervisors established the portion of the employer contribution to be transferred to LCTCS ORP participant accounts ("Transfer Amount") at its April 8, 2015 meeting. The Transfer Amount set by the LCTCS Board for FY 2017-18 is 5.945975% of salary.

There are no changes to the employee rates for LASERS, TRSL or LSERS for FY 2017-2018. These rate changes will take effect with the first pay check in July of 2017.
