RE: Social Security Number Verification

On October 11, 2017, the LCTCS Payroll submitted a file to the Social Security Administration (SSA) for all LCTCS paid employees to verify names and social security numbers. LCTC Payroll will notify and provide each institution of their mismatches of data. This report identifies the differences between Banner payroll system and SSA records at the time the file was submitted to SSA, listing social security numbers and/or names that do not match the Social Security data file.

Please verify the social security card on file for your employee, with the data entry in Banner. Employees may need to make arrangements to update their personal data and provide Human Resources with an updated social security card in preparation of filing of W-2s.
