RE: Social Services Contract between Fletcher Technical Community
College and NVI LLC dba Nondestructive and Visual Inspection

FOR BOARD ACTION

Recommendation: Staff recommends that the Board approve an amendment to a social
services contract between Fletcher Technical Community College and NVI LLC dba
Nondestructive and Visual Inspection that the Board previously approved at its January
2018 meeting. This amendment is subject to the approval of the Office of State
Procurement.

Background: Fletcher Technical Community College was awarded an incumbent
worker training grant and entered into a social services contract with NVI LLC dba
Nondestructive and Visual Inspection to provide training in non-destructive testing to
employees of NVI LLC for a maximum contract amount of \$53,600. The original
contract did not include all training approved in the IWTP grant. Fletcher Technical
Community College wishes to increase the maximum contract amount from \$53,600 to
\$92,782.56 in order to cover all services contained in the IWTP grant. This amendment
will add five non-destructive testing classes to the original contract's three classes and
will train a minimum of 85 employees.

Fiscal Impact: Not to exceed \$92,782.56.

History of Prior Actions: Board approved original contract at its January 2018 meeting.

Benefits to the System: The execution of this contract will provide needed training in
non-destructive testing to employees of NVI LLC.
